Dear Wallace Family:

It's that funny word that is difficult to pronounce. PYMWYMI stands for "Put Your Money Where Your Mission Is." Each November, our church collects the PYMWYMI offering for a specific goal in the church. In 2021, the offering went to upgrade our transportation vans at the church. Due to supply chain issues, we have been delayed in receiving our new van, but it should arrive any day! **The PYMWYMI offering for 2022 will go to celebrate our 70th anniversary at Wallace Memorial Baptist Church.** That's right! In 2023, we will be celebrating what God has done in our church family over the last 70 years. We will have our 70th anniversary celebration on Sunday, July 30. We are honored to have Dr. Jim McCluskey, Pastor Emeritus, who served our church family for 37 years, deliver the message that day. Go ahead and mark your calendars now and invite past members and friends to help celebrate this special occasion.

One way that we want to honor our past is by creating Legacy Hall. This hallway will be created where the current mission wall is located in the Atrium. Legacy Hall will highlight ways that God has moved in our church throughout her history. It will include pictures and artifacts that tell the story of our church family. Items from the Bill Wallace Room will also be included in the display to highlight how missions has been a part of our church from its founding. Your gifts to the PYMWYMI offering this year will go toward the creation of Legacy Hall to commemorate this historical milestone.

Sincerely, John

BE DISCIPLES MAKE DISCIPLES

NOVEMBER 2022

Dear Wallace family,

Christmas is just around the corner! For many people who don't regularly attend church, this season is a time that they are open to the gospel. It is a great time to talk to people about the meaning of Christmas and share the gospel with your "one." It is a great time to invite people to attend worship with you or some special event during December. This is why we do the 25 Days of Knox Noel. Each day throughout the month of December we have at least one group involved in serving and sharing in the city (there are many other things happening throughout the month, but we list at least one each day). In fact, you may want to plan other outreach opportunities with your groups in December. Take this opportunity to get your Connect Group, D Group, E Team, or ministry involved in taking the gospel to Knoxville and the nations all month!

Sincerely,

John

Recently, a widely known Christian website published an article on the impact that consistent church attendance has on the family.

"Nothing can prepare you for the labor that is getting small children out the door to church on a Sunday morning. I don't know if it's spiritual warfare or whiplash from the weekend, but dressing small kids and loading them into the car is a grind. Even when your kids are teenagers, there are days they seem to resist just about anything you suggest. Getting to church is hard. But that's part of the value of attending church every Sunday. It sets the tone for the Christian's daily struggle to live in a personal relationship with Christ."

As we get closer to the Christmas season, the temptation to let some things slide in our weekly schedules becomes stronger. Yet, let's not allow the corporate gathering each week as God's people be one of those things that slides. Let's continue to show our community, our children, and each other that we value the weekly gathering as the Lord commanded.

As one seasoned parent said: "If you can only choose one discipline, go to church. Make attending corporate worship the top priority for your family."

See you Sunday -
