Dear Wallace family,

When I was a child, one of our favorite games to play in the yard was "Red Light, Green Light." One person was the "light" at one end of the yard and the rest of us started at the other end. The light would yell "green light" and we would run as fast as we could toward them. Then they would yell "red light" and we would stop. The goal was to get to the light as quickly as you could. I am yelling "green light" to our church family. It is time to go. One of our church values is "to be saved is to be sent." We believe that when God

saves us, He also calls us into his mission to share the good news with everyone on the face of the earth. We want our church family to be ready to do what God has called us to do.

Wallace Memorial Baptist Church bears the name of Bill Wallace, a Knoxville physician who served in China when the Communist party took over the country. He was put in prison and martyred for the gospel. Our church was named in his memory because missions is the heartbeat of our church. That past legacy propels us into the future vision of our church. Part of our 2030 Macedonia Project Vision is to send 300 people a year on mission trips with 30 people a year going on their first mission trip. We are praying for God to send out 30 people from our church family to serve long-term with IMB or NAMB.

Green Light Sunday will be on February 22. This Sunday is designed to inspire and educate us on our mission. We will learn about partnerships across the country and around the world in which you will have the opportunity to participate. Come ready to learn and sign up to go! Also, if you are thinking about a call on your life to missions, you will have the opportunity at 11am and 12pm to meet with missionaries and learn more about it in the Treehouse office area upstairs in the Atrium on the Home Federal side of the campus.

Are you ready to go? Wear green on Green Light Sunday and come with a heart ready to hear from the Lord.

Sincerely,

John
