Have you ever thought your life is beyond repair or wondered if God could use your brokenness for good? We all tend to look and search for purpose in our pain and suffering. Depression, anxiety, hurting relationships, and unmet expectations can cause us to question God. In this study, He reveals how God redeemed, repaired, and restored him. Economy out of control, justice system upside down, border integrity failing, wars and dangerous threats on every hand, godlessness run amuck, preachers frustrated, believers confused, churches failing right and left! Sound familiar? Of course, that's OUR culture right now. But it's also disturbingly similar to conditions in Israel between 800 and 400 BC.

Discover God's reaction to this situation, what He plans to do about it and how faithful believers should live in its midst. Beginning in January, join us on Wednesday evenings for a brand-new FREE Catalyst class,
