

Wallace Weekday Preschool Care

The purpose of our Weekday Preschool Ministries is to be a service to young children and their families in our community. Whether it is two days a week in Parents' Day Out or up to five days a week in our Preschool Care, we seek to bridge the gap between the home and weekday care in a loving Christian environment that provides challenge and stimulation for motor development as well as enrichment of social skills and a more perceptive awareness of the natural world around us. By teaching in this manner, we want to share with young families our faith in God and His abundant love and care for us.

We have amazing teachers, some who have been teaching at Wallace for decades, because they truly care about kids and helping families through these critical early years of development. Weekday Preschool accepts children ages 15 months through 5 years, up until they enter Kindergarten.

Each class follows a bible-based curriculum called, "ABC Jesus Loves Me", that builds to Kindergarten readiness.

Children will learn:

- bible verses
- songs
- foundational morals and ethics
- colors, shapes, letters, numbers and more!

By the time they complete the 4-5 year old curriculum, these children will be ready to face the next adventure of their education! Our dedicated teachers support parents in potty training, behavior modification and learning the basics of respect for all of God's creation.

Preschool Care is offered **M-F 6:30am-6:00pm** with 3 meals/snacks daily.

Parents' Day Out accepts children ages 18mos-5 yrs. and follows the same "ABC Jesus Loves Me" curriculum on **Tuesdays & Thursdays from 9am-2pm from August - May** (follows Knox County school schedule). Children must bring their own healthy lunch.

See the separate rate sheet for cost information.

Contact April or Mallory at 865-689-3940, email us at weekday@wmbc.net , or come by the Weekday Preschool Office for more information and enrollment availability.
