Possibly the most meaningful study Darrell & Robin have ever done. It will challenge and revolutionize your relationship with God. Written over 20 years ago and revised many times, this study will show you through the biblical texts how God desires to interact with us and how we can “KNOW and DO the Will of God”. This is more than a Bible Study, it is truly a spiritual journey that you will take and be forever changed. Darrell & Robin have led this study many times and are always touched by God as they discover parts of His will that they have never obeyed. The only part of God you KNOW is the part you OBEY. Join us as we Experience God together!

Bible Study Principals is a six week class that gives you basic tools to get the most out of your time in the word. Whether you're preaching, teaching a Connect group, or just wanting to get more out of your personal time the six principles will be a great use to you. These principles are simple enough to be easily understood and quickly reproduced, but solid enough to be helpful to even the most well trained Bible scholar. The class itself will cover one principle a week and be taught in a workshop format where you actively participate and learn by doing. This class is excellent to take on your own, as a family, or with your entire Connect group. We're looking forward to seeing you there!

So what can you do?

Single & Parenting groups address these concerns. You'll discover how to deal with your deep-down worries and your day-to-day struggles.

When you say “I do,” you begin the journey of a lifetime—and you have dreams of that journey being perfect. But it won’t take long for expectations of the perfect marriage to fade away in the struggles of everyday life. A long-term, vibrant marriage needs to be grounded in something sturdier than romance—it needs the life-changing power of the gospel.

Popular author and pastor Paul David Tripp encourages couples to make six biblical commitments to the Lord and to one another. These commitments, which include a lifestyle of confession and forgiveness, building trust, and appreciating differences, will equip couples to cultivate thriving, joy-filled marriages built on Christ.

Doctrine—what Christians believe—directly influences how they live. The biblical truths about God, humanity, and the world are not merely about knowing more—they are also about loving God and making sense of this life and the life to come. But what happens when there is disparity between what believers confess and how they live?

Pastor and best-selling author Paul David Tripp takes a close look at 12 core doctrines and how they engage and transform the human heart and mind. According to Tripp, “true belief is always lived.” To demonstrate, he unpacks each doctrine and presents its relevance for the Christian life. As readers explore topics such as the doctrine of God, the holiness of God, and the doctrine of Scripture, they will be fueled to fall deeper in love with and stand in awe of their Creator and Father—putting the truths of God’s word on display for all the world to see.
