Dear Wallace family,

The days are getting longer and the weather is getting hotter. It is time for Vacation Bible School! The theme for 2022 is "Spark Studios" focusing on how our creative God works in our lives to make us who He wants us to be. On June 6-10, from 9am-12pm, our 4 year-olds through middle schoolers will be studying God's Word, playing games, worshipping, and making crafts.

Vacation Bible School is impactful every year in the lives of children all over the United States. It is a great opportunity to invite your neighbors and friends to be a part of this exciting and eventful week. Load up your vehicle and bring a carload of kids to learn about Jesus! There will be hundreds of children on campus who will hear the gospel of Jesus Christ and grow in their relationship with Him. Be in prayer for our kids and students that week. Thank you to all of our volunteers who work with our kid and student ministries to make VBS a special week!

Sincerely,

John

As our Wednesday night activities have come to a close, Chad and I have been looking forward to what the future holds for our Cumberland Wednesday night activities. As our church grows and our children become older and more numerous, we feel like God is compelling us to do more to disciple them. It is our hope that we can reorganize our Wednesday night activities for the Fall to be more inclusive of our children and our youth.

Please come alongside us in prayer as we seek God's guidance on how to proceed. We will need several volunteers to execute quality programs so please pray about your role in the future of our children and youth ministries. Please speak with Chad or me if you have questions or if you are interested in volunteering.

Serving Christ and You,

Grant Williams
